### **For bus information**

look at [www.Qbuzz.nl](http://www.Qbuzz.nl)

### **Places to come together:**

When the weather is OK it is possible to sit outside in the centre of Emmen.

**Hotel Boerland** is situated in the centre, but there is no place for many people.

Next to the hotel is “**De Brasserie** “ and “**De Zwetser**” with place to talk and sit together.

Look at [www.debrasserie.nl](http://www.debrasserie.nl) and [www.dezwetser.nl](http://www.dezwetser.nl)

**In our opinion Hotel Eden is the best place for a big group of puzzle collectors and speedcubers. It is close to the Esdal College and has enough place for a lot of people. And a lot of free parking places too!**
